Notification

No. 1-1-87/Misc/I & L

Whereas, M/s. Automobile Corporation of Goa Ltd., Honda, Satari, Goa (hereinafter referred to as the "said establishment"), has applied for exemption under clause (a) of sub-section (1) of section 17 of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (Central Act XIX of 1952) (hereinafter referred to as the 'said Act');

And Whereas in the opinion of the Government of Goa the rules of the provident fund of the said establishment with respect to the rates of contribution are not less favourable than those specified in section 6 of the said Act and the employees are also in enjoyment of other provident fund benefits which on the whole are not less favourable to the employees than the benefits provided under the said Act or under the Act or under the Employees' Provident Fund

Scheme, 1952 (hereinafter referred to as the 'said Scheme'), in relation to the employees in any other establishment of a similar character.

Now, therefore, in exercise of the powers conferred by clause (a) of sub-section (1) of section 17 of the said Act and subject to the conditions specified in the Schedule annexed hereto, the Government of Goa hereby exempts the said establishment from the operation of all the provisions of the said Scheme for a period of three years from the date of issue of this Notification.

SCHEDULE

(1) The employer in relation to the said establishment shall provide for such facilities for inspection and pay such inspection charges as the Central Government may from time to time direct under clause (a) of sub-section (3) of section 17 of the said Act within 15 days from the close of every month.

(2) The rate of contribution payable under the provident fund rules of the establishment shall at no time be lower than those payable under the said Act in respect of the unexempted establishments and the said Scheme framed thereunder.

(3) In the matter of advances, the Scheme of the exempted establishment shall not be less favourable than the Employees Provident Fund Scheme, 1952.

(4) Any amendment to the said Scheme which is more beneficial to the employees than the existing rules of the establishment shall be made applicable to them automatically. No amendment of the rules of the provident fund of the said establishment shall be made without the previous approval of the Regional Provident Fund Commissioner and where any amendment is likely to affect adversely the interest of the employees of the said establishment, the Regional Provident Fund Commissioner shall before giving his approval, give a reasonable opportunity to the employees to explain their point of view.

(5) All employees (as defined in section 2(f) of the said Act) who would have been eligible to become members of the Provident Fund had the establishment not been granted exemption, shall be enrolled as members.

(6) Where an employee who is already a member of the Employees' Provident Fund (Statutory) or a provident fund of any other exempted establishment is employed in his establishment, the employer shall immediately enroll him as a member of the fund and arrange to have the accumulations in the provident fund account of such employee with his previous employer transferred and credited to his account.

(7) The employer shall establish a Board of Trustees for the management of the Provident Fund according to such directions as may be given by the Central Provident Fund Commissioner or by the Central Government, as the case may be from time to time.

(8) The Provident Fund shall vest in the Board of Trustees who will be responsible for and accountable to the Employees Provident Fund Organisation inter-alia for proper accounts of the receipts into and payments from the Provident Fund and the balances in their custody.

(9) The Board of Trustees shall meet at least once in every three months and shall function in accordance with the guidelines that may be issued from time to time by the Central Government/Central Provident Fund Commissioner or an officer authorised by him.

(10) The accounts of the Provident Fund maintained by the Board of Trustees shall be subject to audit by a qualified independent Chartered Accountant annually. Where considered necessary, the Central Provident Fund Commissioner shall have the right to have the accounts re-audited by any other qualified auditor and the expenses so incurred shall be borne by the employer.

(11) A copy of the audited annual provident fund accounts together with the audited balance sheet of the establishment for each accounting year shall be submitted to the Regional Provident Fund Commissioner within six months after the close of the financial year. For this purpose the financial year of the provident fund shall be from the 1st of April to the 31st, March.

(12) The employer shall transfer to the Board of Trustees the contributions payable to the Provident Fund by himself

and the employees by the 15th of each month following the month for which the contributions are payable. The employer shall be liable to pay damages to the Board of Trustees for any delay in payment of the contributions in the same manner as an unexempted establishment is liable under similar circumstances.

(13) The Board of Trustees shall invest the monies in the fund as per directions that may be given by the Government from time to time. The securities shall be obtained in the name of the Board of Trustees and shall be kept in the custody of a Scheduled Bank under the Credit Control of the Reserve Bank of India.

(14) Failure to make the investments as per directions of the Government shall make the Board of Trustees severally and jointly liable to surcharge as may be imposed by the Central Provident Fund Commissioner or his representative.

(19) The account of each employee shall be credited with interest calculated on the opening balance as on the 1st day of the accounting year at such rate as may be decided by the Board of Trustees but shall not be lower than the rate declared by the Central Government under para 60 of the said Scheme.

(20) If the Board of Trustees are unable to pay interest at the rate declared by the Central Government for the reason that the return on investment is less or for any other reason then the deficiency shall be made good by the employer.

(21) The employer shall also make good any other loss that may be caused to the Provident Fund due to theft, burglary, defalcation, mis-appropriation or any other reason.

(22) The employer as well as the Board of Trustees shall submit such returns to the Regional Provident Fund Commissioner as the Central Government/Central Provident Fund Commissioner may prescribe from time to time.

(23) If the Provident Fund rules of the establishment provide for forfeiture of the employers' contributions in cases where an employee ceases to be a member of the fund on the lines of para 69 of the said Scheme, the Board of Trustees shall maintain a separate account of the amounts so forfeited and may utilise the same for such purposes as may be determined with the prior approval of the Central Provident Fund Commissioner.

(24) Notwithstanding anything contained in the rules of the Provident Fund of the establishment, if the amount payable to any member upon his ceasing to be an employee of the establishment or transferable on his transfer to any other establishment by way of employer and employees' contribution plus interest thereon taken together with the amount, if any payable under the Gratuity or pension rules be less than the amount that would be payable as employer's and employees' contributions plus interest thereon if he was a member of the Provident Fund under the said Scheme, the employer shall pay the difference to the member as compensation or special contribution.

(25) The employer shall bear all the expenses of the administration of the Provident Fund including the maintenance of accounts, submission of returns, transfer of accumulations.

(28) The employee shall enhance the rate of provident fund contributions appropriately if the rate of provident fund contribution for the class of establishments in which his establishment falls is enhanced under the said Act so that the benefits under the Provident Fund Scheme of the establishment shall not become less favourable than the benefits provident under the said Act.

(29) The exemption is liable to be cancelled for violation of any of the above conditions.
